

This is a detailed architectural floor plan of a 4-bedroom house. The plan includes the following rooms and features:

- Berging (Top Left):** A storage area with a width of 172.
- Keuken (Top Center):** A kitchen with a width of 192, featuring a four-burner stove, a sink, and a refrigerator.
- Badkamer (Top Left):** A bathroom with a bathtub and a toilet, with a width of 191.
- Living (Top Right):** A large living area with a width of 388, containing a sofa, armchairs, and a coffee table.
- Inkom (Bottom Left):** An entrance area with a width of 221, featuring a coat closet and a door to the toilet.
- Toilet (Bottom Left):** A toilet room with a width of 92.
- Slaapkamer 1 (Bottom Center):** A bedroom with a width of 240, containing a bed and a wardrobe.
- Slaapkamer 2 (Bottom Right):** A bedroom with a width of 322, containing a bed and a wardrobe.
- Berging (Bottom Right):** A storage area with a width of 172.
- Badkamer (Bottom Right):** A bathroom with a bathtub and a toilet.

The plan is annotated with numerous dimensions in millimeters, including overall dimensions (879, 450, 849, 330, 170, 110/217, 50, 23) and room-specific dimensions. It also shows architectural details like doors, windows, and furniture placement.
